

## Parent Policies and Expectations

### **Parent Policies and Expectations**

*Believing that Christian education is a partnership between the home and school we affirm that:*

1. We agree to support the biblical teaching and guiding principles of the school.
2. We have read and agree to support the school's statement of faith and agree to have our child educated in accordance therewith.
3. We commit to take an active role in the ongoing education of our child. We will make every effort to attend school functions and activities.
4. We will support the school and our child based on the principles of communication in Matthew 18. Specifically, we will address any dissatisfaction with the school by resolving the matter with the person(s) directly involved rather than spreading criticism or holding a negative attitude.
5. We give the school authority to discipline our child within the bounds of the discipline policy.
6. We agree to support the school's efforts to nurture personal responsibility and accountability in our student.
7. We agree to pay all tuition and other financial obligations. If we face changing financial situations, we will communicate with the school in a timely manner to find a solution.
8. We agree to demonstrate and model respect for authority including good sportsmanship at athletic events.
9. If at anytime we are no longer in agreement with Central Christian School's mission, vision, standards or practices, we agree to withdraw our student.
10. We understand and are in agreement with the expectations and policies, the mission, vision, standards and practices of Central Christian School.
